

Darling Insurance Donate Blankets and Help Raise Money for the Kawartha Lakes Food Source

(Valentia, Ontario) October 3rd, 2009. Today, Insurance Brokers from Darling Insurance Realty Ltd. participated in helping sponsor a Tractor Pull as part of the 7th Annual Kawartha Farmfest activities, raising money and awareness for the Kawartha Lakes Food Source. The company donated 50 fleece magenta blankets along with non-perishable food goods to the Kawartha Lakes Food Source. Tractor Pull participants generously donated their prize money back to the Kawartha Lakes Food Source and Darling Insurance made an additional cash donation to complement their effort.

Every year, the Insurance Brokers Association of Ontario (IBAO) donates thousands of fleece blankets to a variety of charities around the province. It is a reminder that insurance brokers are tremendously committed and active in their communities.

The Kawartha Lakes Food Source is a community effort to reduce hunger in the City of Kawartha Lakes by maintaining a central warehouse to supply food to organizations that provide food to individuals in need.

Insurance brokers are known for their commitment to their community and keeping Ontarians safe. Insurance Brokers are consistent in providing support for local charities and as local independent business owners, the association's members strongly believe in giving back to their community.
